

DIMENSIONAL PART REPORT								QUALITY ASSUREMENT																																																																										
Report Number: 2022 - 1194																																																																																		
Costumer: Costumer part number:								Issue date: 31 DE OCTUBRE DEL 2022																																																																										
Part name: DAMPING ELEMENT			Evaluation reason: <input type="checkbox"/> Annual validation: <input type="checkbox"/> New part. <input type="checkbox"/> Engineering change. <input type="checkbox"/> New tooling. <input type="checkbox"/> Corrected tooling. <input type="checkbox"/> Prototype piece. <input checked="" type="checkbox"/> Others (Specify):					Evaluated by: MIREYA HDEZ.																																																																										
Part number: 1459501								Evaluation date: 31 DE OCTUBRE DEL 2022																																																																										
Quantity pieces: 2								Authorized by: JJ MORENO																																																																										
Plane No.: 1459501 Dated: 24.02.22 Change: e								Evaluation machine: MEDIDOR DE LATURAS																																																																										
								Calibration date: JUN.2022																																																																										
Observations:
